Billy DeBerry Named 'Outstanding Young Man'

Seaside's Billy F. DeBerry, principal of Martin Luther King Junior High, was selected as "Outstanding Young Man of 1973" by the Monterey Peninsula Jaycees, Friday night at their annual Distinguished Service Award Banquet, held at the Rancho Canada Golf Club in Carmel Valley.

DeBerry accepted the award and said "I am accepting this award in the memory of the late Dr. Marcus Foster, Oakland Public School Superintendent who was murdered as he left a meeting of the Oakland School Board) who gave his life fighting ignorance, and for all the children with whom I come in contact every day.

"I would like to sincerely also accept this honor on behalf of all the people who work with me," he said, "I feel every individual should help to make his community a better place to live."

DeBerry, who is also president of the Seaside Kiwanis, paid tribute to his wife, who, according to DeBerry, "seldom sees me, and thanks to those kinds of women we are understanding of men like me."

Don Boston, former operations manager of Pacific Telephone, last year's winner, had glowing remarks about DeBerry, and stated the many reasons DeBerry was chosen.

"Achievement of this

award," he said, "is a statement of sacrifice and unselfish devotion to the ideals of community and society.

"The man who receives this recognition has already been rewarded because the nature of his good works provides a sense of purpose and satisfaction. He sees his efforts help to make his community a better place to live and work," he said.

Mayor B.J. Dolan, Seaside, who was present, was the first to congratulate Mr. and Mrs. DeBerry. "We are extremely fortunate in Seaside to have such an outstanding community leader as is Billy DeBerry," he said.

"We have long recognized his tremendous contributions to the community and now we see that the Jaycees have recognized what we, here in Seaside, have known for many years.

"It is my opinion that the Jaycees could not have chosen a more deserving individual than my friend, Billy DeBerry, for this unique award," he stated.

City Councillman Stephen E. Ross had been contacted prior to the final selection by the Jaycees nominating committee to give his opinion about the nomination of Billy DeBerry for this honor, and praised Mr. DeBerry to the committee.

He provided the committee with the resume and sent his

personal recommendation and endorsement on DeBerry to the committee.

He provided the committee with a list of the accomplishments of DeBerry in the community.

"We are proud of this nomination, not only for Billy, but for the City of Seaside," he said. "I think that Mr. DeBerry is the first Black ever receiving this honor."

Armed Forces Day Events Scheduled For Saturday

FORT ORD, California, May 1, 1974 — Fort Ord is in high gear driving toward its observance of Armed Forces Day which will be held on Saturday, May 18.

All major events will be at Fritzsche Army Airfield on Reservation Road east of Marina from 10 a.m. to 4:30 p.m.

Considerable attention is being given this year to include activities of interest to youth. In fact, Fort Ord dependent children will be staging portions of the program to include a Kiddies Parade as the opening event and a carnival that will operate all day.

The ever-popular Junior

Tax Forms Now Being Mailed Out

The Senior Citizens Property Tax Assistance claim forms for 1974 are now being mailed to prospective claimants, according to State Controller, Houston I. Flournoy.

The forms will be mailed to the 302,500 persons who filed claims last year, as well as to individuals who have already requested forms, Flournoy said. Other persons who believe they may qualify should write or contact the nearest nearest Franchise Tax Board Office.

Assistance payments totaling \$61 million were paid to claimants last year, Flournoy said, for an average of \$201 each.

Under the present provisions, eligible senior citizens must be 62 years of age or older as of January 1, 1974, own and occupy their home, have paid property taxes on the home and have an income of less than \$10,000.

Claim forms and further assistance may also be obtained by writing to Senior Citizens Property Tax Assistance, P. O. Box 1588, Sacramento, Ca 95807.

A total of 2,987 claimants in Monterey County received a total of \$474,095 assistance last year, Flournoy said.

The filing period for claims is between May 16, 1974 and August 31, 1974. Claimants are advised to file as early as possible.

Randolph Institute Holds Opening

The official opening of the A. Phillip Randolph voter registration office, located at 1186 Broadway in Seaside, was attended by approximately fifty politicians, prominent citizens and members of the community, on Friday, May 3.

A get-acquainted hour preceded the formal ceremonies. In tune with the Institute's policy to bring all classes of society together in political unity, the hour of informal discussion found politicians, laborers, students and housewives exchanging views.

The official opening commenced when the Institute's Community Coordinator, Fred Williams, introduced the Chairman of the local chapter, Josh Stewart. Stewart then showed a movie highlighting

the life of the Institute's founder, A. Phillip Randolph.

Among the elected officials present were Steve Ross and Oscar Lawson, both members of the Seaside City Council and Roger Poyner, a member of the Monterey County Board of Supervisors.

Two Democratic contenders in the June 4th primary election for the 16th Congressional seat, Julian Camacho and Morgan Flagg, also addressed the audience. The final speaker was Reginald Dewar, candidate for the office of Sheriff of Monterey County.

According to Stewart, the opening was a success and symbolizes the first of many successful events to be planned in the near future by the A. Phillip Randolph Institute.

Parachute Jump Tower will provide youngsters with the thrill of a simulated jump. Actual parachute jumps will be made by members of the Fort Ord Parachute Club.

Local peace officer will join with Fort Ord personnel in staging a search and rescue helicopter mission, similar to real events that are conducted during actual life-saving services.

There'll be jeep rides for the youngsters and for those who have a good eye for pitching a baseball they can, if on target, dunk a hapless victim into a tank of water.

The entire program will be chock-full of interesting events for all age groups. Among them will be rappelling demonstrations from a helicopter; four concerts by Fort Ord's 28th Army Band featuring varied music styles that demonstrate the versatility of Army musicians and sight-seeing bus tours of the main garrison including a stop at the 7th Division Museum.

A wide variety of displays will be open for inspection such as arms, aircraft, survival equipment, highlights of Basic Training, medical equipment and Women in the Service.

The Defense Language Institute and the Combat Developments Experimentation Center will join with Fort Ord for the program. The latter will give a laser-ray device in operation which is used in their experiments at Hunter Liggett.

A formal Military Review will be held in mid-afternoon. Five companies of troops, about 1000 men, will march.

School Board Honors Top Scholars

Twenty-two seniors from Seaside and Monterey high schools have been awarded certificates of merit for outstanding scholastic achievements by Monterey Peninsula Unified School District trustees.

The action took place at the board's Monday night (May 6) meeting.

Seaside High School's top performers were introduced by Principal Dr. Jim Solberg and certificates were handed out by Trustee Linda Bassett. The students were Marta Jarstrom, John Kornichuk, Thomas Saiki, Mark Boyce, Gayle Dickie, Kenneth Schroeder, Thomas Decker, Daniel Ziegler, Raymond Asbury, Debra Jacobson,

Ronald J. Lesnick Jr. and Lynn Horiuchi.

Frank Jacobson, principal at Monterey High, introduced student Dwight Agan, who in turn introduced his fellow honor students to receive certificates from Trustee Sam Karas. The students were Lawrence Duke, Jonathan Shaw, Helen Ma, Linda Ma, Carolyn Beach, Steven Yorita, Evelyn Kawata, Joy Carpenter and Diane Rogers, along with Agan.

Last Volcano Eruption

Lassen Peak, in Lassen Volcanic National Park, is the only recently active volcano in the coterminous United States; it erupted between 1914 and 1921.

Morgan Flagg, Democratic candidate for the Congressional seat now held by Rep. Burt L. Talcott, a Republican, was asked today to comment on Talcott's advocacy that President Nixon resign.

Flagg said, "On the grave issue of impeachment or resignation, Burt Talcott is finally listening to his district but only after the Republican leadership in the House of Representatives has released him. I don't agree with Talcott. I don't believe that resignation is an acceptable alternative at this time. It is

Scout-O-Ramas This Weekend

If you have ever wondered what a Scout-O-Rama is all about, you're sure to get your chance to find out real soon. Monterey Bay Area Scouts of all kinds are getting together for six of them throughout Monterey, San Benito and Santa Cruz Counties.

Scout-O-Ramas will be held May 18 at the Fairgrounds in Monterey... at River and

Potrero Streets in Saanta Cruz ... and at the Rodeo Ball Park in Salinas.

A Scout-O-Rama is a special kind of fun fair. It's a day when scouts demonstrate skills learned ... exhibit projects they've designed and built ... and provide special fun activities for all of the family. There will be a special games and contests for

even the youngest person. Of course, there will be good food of all kinds ... plus popcorn, soft drinks and other goodies... for when you get hungry.

What does admission to Scout-O-Rama 1974 cost? It's probably the best buy of the day. A single ticket, costing one dollar, is admission to all six Scout-O-Ramas. If you have the time, you can visit all six for one price of admission.

Be sure to come to Scout-O-Rama 1974 in your community. Support the Monterey Bay Council of the Boy Scouts of America by attending this special fun day. Buy your tickets from a scout in your neighborhood ... or pay for your admission at the gate.

MPC Summer Registration Underway

Mail registration for more than 175 day and evening college classes is now in progress for Monterey Peninsula College's "Summer Session 1974" which begins on June 17.

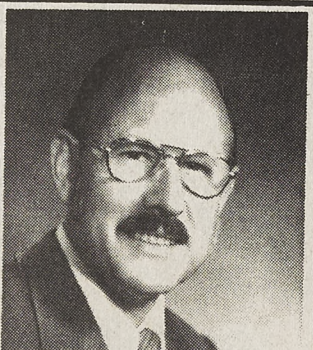

The deadline for mail registration is May 24. After that date, regular on-campus registration for classes will be June 12 and 13 from 9 a.m. to 3 p.m. and 6:30 p.m. to 9 p.m. and June 14 from 9 a.m. to 3 p.m. only in the Student Personnel Services Building.

Enrollment in the college's summer session last year reached 4,016 students, a 12.2 per cent increase over the 1972 summer session which saw 3,294 students taking summer classes, according to Dr. Keith Merrill, dean of the

MPC Community Education Office. Even with a documented growth over the last several years in the summer program, Merrill is not predicting large increases this year, but speculates that enrollments will be at least equal to those of last year.

The 175 classes being offered include courses from all of the liberal arts and sciences and the vocational-technical fields which are offered during the fall and spring semester. Merrill said the scope of the program is to provide students with an opportunity to take extra courses towards their degree or transfer programs or to investigate other disciplines of interest.

Agape Celebrates Second Anniversary

The Agape Senior Citizen Center of Seaside, a non-profit organization benefiting senior citizens of the area, is celebrating its second anniversary this year with a gala dinner party. The dinner will be held May 18, 6 - 10 p.m., in the auditorium of Martin Luther King Jr. High.

Called "Feast of Seven Tables," diners will have a chance to choose their menu buffet-style from seven dif-

ferent gaily decorated tables. Several speakers will be featured, among them Rev. Al Balton. Entertainment will headline The Lighthouse Trio and singer Shirley Miller from the Edwin Hawkins Singers.

Profits from the dinner will go to the Agape senior summer activities fund. It is hoped that enough will be raised to send a good number of Agape seniors on a trip to Disneyland.

The Agapes also hope to attract businessmen sponsors for individual senior citizens to enable every senior to go on the Disneyland trip who wants to attend. Every businessman who sponsors a senior citizen will have his name mentioned in the Seaside POST.

Tickets to the anniversary dinner are \$2.50 and can be obtained by stopping by the Agape Counseling Center, 1161 Hamilton Ave., Seaside. For more information call 899-2416

UFM Seeking Instructors

Monterey Peninsula College's free learning institution, the University for Man, is seeking volunteer instructors for UFM's Summer Session which begins in early July and for the Fall Session in September. The deadline for starting a class this summer is May 25.

The UFM provides an opportunity for people on the Peninsula who have particular interests, knowledge and ideas which they would like to share with others. No credits are given, and teaching credentials or experience are not necessary, according to Ms. Sherry Pastor, UFM coordinator.

UFM is particularly interested in classes in arts and crafts, dance and drama, esoteric subjects, golf, hatha yoga, belly dancing, and other courses not commonly found in regular college curriculums. Ms. Pastor said. Several classes already scheduled for this summer include "How to Get Your Own Divorce," "Soledad Dialogues,"

Persons interested in teaching a class should contact Ms. Pastor at the UFM Office in the MPC Student Center, or call 375-9821, ext. 283.

Put these tips and some spare fuses near your fuse box.

With a flashlight, they may help should your lights go out.

Be Prepared. Know where your fuse boxes or circuit breakers are located. Locate the main switch box—usually near the spot where the PG&E electric service wires connect to your house, or near your PG&E electric meter. Locate any additional box or boxes—usually in a closet or utility room. Keep spare fuses handy.

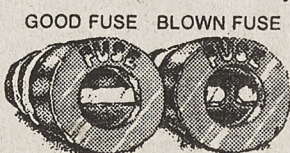

Check the Neighbors. If your lights should go out, check to see if other homes in your neighborhood have lights. If the power is off in your home only, you may have a blown fuse or tripped circuit breaker.

Determine the Cause. Blown fuses or tripped circuit breakers are often caused by having too many lamps or appliances connected to one outlet or circuit. Another possibility is a defective cord on a lamp or appliance. To check, unplug all lamps or appliances on the affected circuit, looking for defective plugs or cords while doing so. Replace the blown fuse or re-set the tripped circuit, following the procedures given below. Then plug each lamp or appliance back in.

A defective one will cause the fuse to blow, or circuit breaker to trip, again.

To Replace a Fuse. First turn the main switch to "OFF." Make sure that your hands are dry and that you are standing on a dry surface. Look for the "blown" fuse; the "window" may be blackened, or there may be a visible gap in the fuse element. Replace the blown fuse with one of the proper amperage rating, usually one of not more than 15-20 amps. (Your electrician can tell you.) Never use a penny or other metal object to "bridge" the blown fuse, as this could cause a house fire. Turn the main switch to "ON." If only part of the lights in the house come on, this may indicate that a fuse in a secondary fuse box has also blown. Check

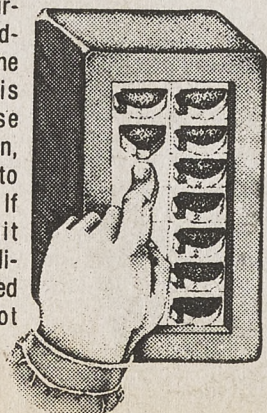

these fuses in the same way you checked the fuses at the main switch. Be sure the main switch is "OFF" while you are changing fuses.

Cartridge Fuses. You won't be able to visually tell exactly which cartridge fuse is blown. In this case, test by replacing each fuse with a

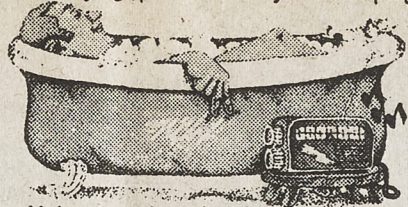

new one until you find the blown fuse. A tripped circuit breaker will probably be out of the "ON" position.

To Reset a Circuit Breaker. Move the affected circuit breaker handle all the way to the "OFF" position (for some circuit breakers, a moderate pressure in the "OFF" direction is necessary to cause them to reset). Then, move the handle to the "ON" position. If the affected circuit breaker does not indicate that it has tripped (its handle has not moved from the "ON" position), and you do not know which circuit breaker controls the affected circuit, try resetting all circuit breakers.

Some Added Safety Tips. Never plug in radios near bathtubs or basins. Never wash coffee pots or frying pans while they are still plugged

in. Make sure that electric tools are properly grounded (with a 3-prong plug), or are of the U.L. approved "double-insulated" type. When you unplug an appliance, pull the plug—not the cord.

Still in the Dark? If you've followed all of these procedures and you're still in the dark, don't hesitate to call PG&E. We'll be happy to help.

Spring Concert Is Scheduled

The Fitch Junior High School band and chorus will perform at a spring concert May 23 at 7:30 p.m. in the school's multi-purpose room.

Bernard DeCosta, assistant principal, said parents and the public are invited to attend the performance.

Candidate Attacks 'Artificial Shortages'

"Artificial shortages created by 'the big guys' are hurting the wage-earner and small businessman by making him pay more for the things he needs to keep his family live," Democratic congressional candidate Phil Harry said recently.

Harry pointed out that such 'shortages' as the recent gasoline crisis and the phony shortage of toilet paper as examples.

He said that federal agencies ought to vigorously enforce anti-trust laws in order to assure that there are no more of these artificial shortages. "Everytime there is a shortage of something," Harry said, "whether it's an artificial shortage or a real one, the first thing you see is panic buying, but prices go up. The shortage ends and so does the panic buying, but prices stay high for the item. We must act now to pass new legislation that will keep these prices down!"

Harry suggested that in addition to vigorous enforcement of the anti-trust laws to squelch "monopolistic manipulation of the market", Congress should amend the income tax laws again to allow a \$1000 deduction for each dependent in a family.

"That way", he said, "the low wage-earner and small businessman will have a better chance of keeping up with inflation" — which he said will hit a 14½ percent rate of increase this year if the

trend in the first four months remains constant. "The Wall Street Journal says that we have already had a 5.8 percent loss in the value of the dollar this year."

Harry said that much of the increase in prices — and loss in purchasing power — is due to artificial shortages of products. "Look at the shelves in our grocery stores," he said, "they are bare many

times. I can't believe that there are that many more people buying things this year than there were last year. There are just fewer choices and the prices are higher, so the big buys are getting more money for less production."

Harry is a contender for the Democratic nomination for the congressional seat now held by Republican Burt Talcott of Salinas.
